## **RHDG wins Enpro account**

*January 2008*

Riezebos Holzbaur Design Group (RHDG) has been awarded a five-year contract with Enpro Technologies.

Enpro is a leading manufacturer and integrator of liquid and dry chemical equipment systems. They provide equipment that aids in water purification and chemical waste removal.

RHDG is charged with reinventing the Enpro brand. Starting with a new logo, RHDG will be creating all Enpro's new marketing materials, including a new logo, a completely re-vamped website, advertising, collateral materials, trade show displays and more.
