RHDG brings San Francisco Housing Authority (SFHA) Annual Report home

Riezebos Holzbaaur Group (RHDG) is pleased to announce that it has been selected to create a new look for the high-profile agency's yearly Annual Report. RHDG will also provide full production services for the Report.

The SFHA, founded in 1938, is the oldest housing authority in California. Its primary mission is to provide safe, sanitary, affordable, decent housing to very low-income families, seniors, and people with disabilities. It is also committed to providing job opportunities and job training to residents through its contracts with service providers.

The new Annual Report, targeting, among others, the SFHA Commission, the U.S. Department of Housing & Urban Development (HUD), and San Francisco city government, will give the SFHA a fresh, new identity in keeping with its stature in the governmental arena.

RHDG appreciates the opportunity for down-home collaboration with a San Francisco agency that provides basic and much-needed human services to our city.
